Weekly Update

Specials for next week

- Monday—Technology
- Tuesday—Science
- Wednesday—Music
- Thursday—Art
- Friday—P.E.

Remember to dress your child in sneakers/tennis shoes on P.E. days.

Library check-out day is every Wednesday. Please return books by each Wednesday to received a new one.

Writing: Essential Question: This week we will work on different types of punctuation.

Reading: We are learning the long and short vowel sounds. We are asking how we can find the meaning of unfamiliar words.

Math: We will begin exploring how to compose and decompose numbers from 11-19 by using ten ones and some further ones to make a number. We're also learning all about nickels.

Things to do at home:

Sight words this week: **at, come**

Continue to practice writing stories. Talk about the story and then draw a picture. Work on putting spaces between words this week.

Point out punctuation you see in books (specifically periods, question marks, and exclamation points).

Math: Practice these:

- The names and values of pennies, nickels, dimes and quarters.
- Correctly forming and writing all numbers

Check out this website for learning 10s and 1s. It has vocabulary, activities and online games:

**January 21st—No School
 In observance of MLK Jr. Day
 See you Tuesday!**

Scholastic Book Fair this week

Our media center will be hosting the Scholastic Book Fair beginning Friday, January 18th—Friday, January 25th. (Closed on Monday, January 21st—no school day).
 Monday—Thursday 7:30am—4:00pm
 Wednesday: 7:30 am—6:00pm
 Friday: 7:30 am—2:00pm

Six Flags Read to Succeed

The reading logs are due no later than February 22nd in order to be able to earn a ticket to Six Flags. You must use and return the official reading log. If you miss the deadline or don't use the log then Six Flags will not give us a ticket. No late logs will be accepted by Six Flags. Please make sure you signed the form.

Come watch the Faculty vs 5th grade basketball game this Friday at 6pm at the North Gwinnett High School gym. This was a huge event last year with lots of fun!

We are in need of:
Tissues
Baby wipes
Quart Ziploc bags

Thanks for anything you can share

Cold and flu season is here and in full swing. If your child is sick and you're considering whether or not to send him/her to school, here are some guidelines listed on our Roberts Elementary School clinic website, along with other information.

The main reasons for keeping your child home are:

- He's too sick to be comfortable at school.
- He might spread a contagious disease to other children.

As a rule of thumb, a child should stay home if he has:

- A fever higher than 100.4 degrees Fahrenheit
- Vomited through the night or morning
- Diarrhea
- A very frequent cough
- Persistent pain (ear, stomach, etc.)
- A widespread rash
