Reading: We are finding the comparisons between familiar characters in stories.

Math: We are learning to represent word problems with pictures and numbers.

Social Studies: We are learning about the Liberty Bell, the American flag and the Georgia flag.

Things to do at home:
Sight words this week: are, said, you

Work on sight word fluency. Practice how many sight words your child can read in one minute. Make it a fun challenge by being encouraging and set a larger goal each time. If your child reads 22 then make your new goal 25 in one minute.

Field Trip Information

INK (Interactive Neighborhood for Kids)

Gainesville

We are traveling to INK on Thursday, March 28th. We'll leave at 9:30am and will return approximately 1:30pm. You may send a lunch with your child but make sure everything is disposable (including a water bottle or juice). No lunch boxes or refillable water bottles. You also have the choice to purchase a sack lunch from the cafeteria (peanut butter and jelly or Italian sub). You're welcome to join your child at INK but you will need to pay at the door. You may learn more about INK by accessing the website: <http://www.inkfun.org/>

Teacher Appreciation Thanks!

Mrs. Fay and I really enjoyed all the ways you found to celebrate Teacher Appreciation Week with us. We enjoyed reading all the delicious recipes you submitted for our cook book! They were adorable! We were treated to lunch and given sweet cards and gifts. The PTA was really good to everyone this week as well. Thank you for everyone who supports our PTA at Roberts and for all your thoughts.

Winter Clothing Needed

Roberts Elementary is collecting any size gently-used winter coats, scarves, hats and gloves to help Gwinnett County families in need. We will also be collecting any non-perishable and canned food items to give to the Gwinnett County Co-Op. You may drop them off or send them to school during the week of March 18th—22nd.

Items Needed

Please send any empty paper towel tubes for a school project this week. Also, we are looking for a baby picture from each student (preferably one from the first few months of life). We will be studying the characteristics of babies and parents and will be having a "Guess the Baby" bulletin board! Please send photos you may not want back but I will try to make sure you get them again. It will be more fun if you put them in an envelope your child cannot see and we'll make it fun to find themselves (and not tell others who they are!)

Let's Blog!

Our class website now has a KinderBlog. I'll be posting questions and activities for you to work with your child to comment on the blog. It's ok to let your child type on the blog and use "kidspell". It's part of the fun! Can't wait to see your responses! Check out: <http://hennebaulsittledawgs.weebly.com> Or follow our classroom website on www.robertses.org You'll find the KinderBlog under the "More" tab on the right side of the page.
